The lighthouse theme can be found throughout the eatery - on the menu, the stage's backdrop and in artwork on the walls. Our Daily Bread serves breakfast sandwiches, specialty coffees from the Starbucks brand, soups, salads and a host of deli sandwiches. The turkey club is the cafe's signature sandwich. It features gourmet turkey, bacon, beef steak tomato, provolone cheese, romaine lettuce crowns and mayonnaise and is served on a fresh-baked round croissant. Chocolate shakes are heavenly!
